

DANCE PRECISIONS STUDIO DRESS CODE

Ballet Class: Black leotard, pink tights, pink ballet shoes (split sole) and a colored elastic ballet belt (optional). Ballet shoes may be of any brand (leather or canvas), but should fit securely. Do not buy ballet shoes to allow room for growth. Ballet shoes must fit tightly. Ballet shoes must have elastic straps sewn on. Hair must be worn in a secure bun. Headbands are recommended. The ballet teachers will notify dancers who are ready for pointe. NO SHORTS ARE ALLOWED IN BALLET CLASS.

Jazz Class: Black bootie shorts and a black bra top may be worn. Tight-fitting black tank with spaghetti straps may also be worn. Jazz shoes MUST always be worn. Any color jazz shoe is acceptable. Hair must be pulled back securely from the face. If a dancer is uncomfortable in two-piece jazz clothing then they must wear the Ballet Class dress code listed above. No t-shirts, loose shirts or sweats are allowed, except during winter months.

Tap Class: Ballet or Jazz Dress code can be worn in tap class. Students need a “Jazz Tap” shoe. Hair must be pulled back securely from the face.

Hip Hop Class: All types of clothing may be worn for Hip Hop Class. Jazz pants, bootie shorts or sweats are acceptable. Tennis shoes/sneakers are recommended. Hair must be pulled back securely from the face.

Stars Dance Class: Any color leotard, tights, crop top or bootie shorts. We prefer that young dancers do not wear skirts/tutus that are separate items. The skirt should be sewn to leotard. Hair must be pulled back, securely off of the face. Wiggles & Giggles wear ballet shoes. All other Stars classes use jazz shoes and patent leather tap shoes. This style of tap shoe has elastic between the eyelets, which allows for young dancers to easily change their shoes.
