FOR PARENTS  
WHO WANT  
THE **BEST** OF  
BOTH WORLDS:

**ELITE** SUCCESS  
& **PERSONAL**  
ATTENTION.

No matter your needs, we've got you covered—whether it's a lot or just a little. For big kids or little ones, DP can offer something for every family. Explore the variety of choices available at our studio.

# THE BEST OF BOTH WORLDS

## DID YOU KNOW?

At Dance Precisions, we're large enough to win at the highest levels of competition — and small enough to know every dancer by name, their story, and their dreams.

Most studios make you choose between opportunity and attention. We don't.

Whether your child wants to dance in college, go pro, or just build confidence and artistry, our unique size and structure lets us tailor their experience — so they're not just a number, and not just a trophy-chaser.

# THE SWEET SPOT ADVANTAGE

## What makes this balance powerful?

- Top-level choreography from national champions
- Individual growth plans for every dancer
- Hands-on coaching from our studio director
- Team culture that lifts and supports every child
- Clear goals beyond the stage — college, life skills, personal growth

# DANCER SPOTLIGHT: “FROM NERVOUS TO NATIONALS”

## Julissa, AGE 17

Julissa joined Dance Precisions as a timid five-year-old with a passion for movement but lacking in self-assurance. Being homeschooled with her siblings meant that the dance studio became her social hub. Throughout the years, our coaches not only honed her technique but also nurtured her confidence from within.

Today, she stands as a self-assured leader of her teams, which have achieved remarkable success, including winning Victory Cups at Nationals. Recently, one of her performances earned a Silver Medal at the Dance Worlds in Orlando. Additionally, she has been accepted into the Orange Coast College Dance Team.

# A LETTER FROM THE DIRECTOR

Dear Dance Parent,

At Dance Precisions, we've built something different. Our dancers win, yes — but more importantly, they grow. They're known. They're challenged. They're seen.

I know every dancer who walks through our doors — not just their name, but their strengths, struggles, and dreams. I believe in crafting individual journeys, not cookie-cutter choreography.

Some studios teach only steps. We build strong, focused, passionate young humans through dance — from the inside out.

If you're looking for a studio that sees your child's potential and their heart, you've found it.

Let's talk about where your dancer wants to go — and how we can help them get there.

Sincerely,  
Edith Montoya  
Studio Director, Dance Precisions

# THE WHOLE-DANCER PROMISE

We develop dancers from the inside out.

- Emotional growth
- Mental resilience
- Artistic expression
- Physical precision
- Confidence that carries into life
- Friends for life!

This is where dancers find their voice, their confidence, and their drive — and where they're never invisible.
