* Performing Groups

Performance groups give our young dancers (ages 4 & 5) the chance to show off their skills on community stages at the O.C. Fair, Yorba Linda Arts Festival, and more. The dancers get to wear stage costumes, with full performance hair and make-up done, entertaining old and young alike in our community. These programs are so much more than just taking dance and performing in the recital. The dancers get to do what they love best.
